

# IBM CLOUD ACTIVITY

This screenshot shows the 'Overview' tab of the IBM Cloud Pak for Data project 'carresalevalueprediction'. The interface includes a top navigation bar with the project name and a search bar. Below the navigation bar, there are four main sections: 'Assets', 'Resource usage', 'Project history', and 'Readme'. The 'Assets' section lists 'car resale value' with a timestamp of '19 hours ago by you'. The 'Resource usage' section displays 'For this month in this project' with a value of '10.2 CUH'. The 'Project history' section shows a log entry: 'You created project carresalevalueprediction' on 'Nov 16, 2022 07:26 PM'. The 'Readme' section has a placeholder text: 'Type project notes, reminders, or instructions'. The bottom of the screen shows a Windows taskbar with a search bar and system icons.

This screenshot shows the 'Manage' tab of the IBM Cloud Pak for Data project 'carresalevalueprediction'. The left sidebar contains a navigation menu with options: 'Project', 'General', 'Access control', 'Environments', 'Resource usage' (highlighted), and 'Services & integrations'. The main content area is titled 'Resource usage' and contains two sections: 'Usage summary' and 'Usage by type'. The 'Usage summary' section displays 'For this month in this project' with a value of '10.2 CUH' and a link to 'Manage service instances'. The 'Usage by type' section shows a horizontal bar chart with the x-axis ranging from 0 to 10. The chart has a single bar labeled 'Notebook' with a value of approximately 10.2.
